20. Snorkeling Lembongan

1 day

MATHIS COLLECTION

An unforgettable day is waiting for you on this small island of barely 8 km² of the South of Bali. A real treasure ! After a short boat crossing from Bali, and after picking the equipment, you will embark on a private fisher boat to explore 3 snorkeling sites around Nusa Lembongan. If you are lucky, you will also swim with manta rays. The end of the morning will be spent on the ground, where you will walk around mangrove's edges. After a lunch on the beach or in the guide's family, we advise you to adventure the island on scooters (with a driver). The scooters are also the best way to cross the spectacular small yellow bridge that connects Nusa Lembongan to its little sister, Nusa Ceningan. This dreamy island is sheltering amazing points of view on the sea of the fifty shades of blue.
